

# Glenlo Abbey Photography Experience

## 3 Days & 2 Nights Photography Package

### Day 1

2.30pm Registration and Introduction

3.00pm The camera

What is it? How does it work? What types of camera are there? What is the difference between them?  
Where do I buy one and how do I get the best value?  
This talk will be followed by a Questions and Answers session.

6.00pm Dinner

8.00pm Making a photograph with impact

This session will discuss the relationship between aperture, film speed and shutter speed.  
How to visualise a strong composition. Measuring light. How to use a light meter. Filling the frame.  
The difference between the eye and a lens. This talk will be followed by a Questions and Answers session.

### Day 2

10.30am Flash Photography

What is a flash and how does it work? What is synchronisation and when do you use it?  
What causes red eye and how to get rid of it. What is a guide number?  
Questions and Answers to follow.
